A TRIP TO LOS ANGELES

A family excursion from Rancho Palos Verdes to Los Angeles was quite an event in early California days. The trip probably took a full day or more, and usually began in the morning.

Those not agile enough to ride horseback made the trip in an ox-drawn caretta, a huge lumbering affair with foot-thick oak wheels, a wooden axle, bullock hides on the floor and a flapping cloth awning. Throughout the journey the wheels and axle were lubricated with soap. Despite this, the squeak and groan of the approaching caretta could be heard for at least a quarter-mile. After much prodding of the oxen, discomfort and dust, the family reached Los Angeles, having averaged, with luck, a blazing speed of three miles per hour!

Today, you can drive to Rancho Palos Verdes in 45 minutes. Soon, via the Harbor Freeway, it will take less than 30 minutes! Thus, modern transportation makes historic Rancho Palos Verdes a convenient place to live. And here in one of many beautifully planned communities now being developed, contemporary Californians like yourself can find a home of their choice.
